Dear Friends

As we enter into the season of Advent and Christmas, with the days shortening with the early darkness of night and the year coming to an end, we have more time to think about past things. I imagine that most of our lives have been filled with challenges of hard and difficult times and also times of celebration and of joy. In September we celebrated the diamond (60 years of marriage) with 4 couples who were married in 1965 and have attended the church at All Saints Waltham for the past 40 years. We also celebrated 40 years of worship at St Matthews church since 1985. We will be having a Waltham Funeral Service on 3rd

December at 7pm at All Saints Church to remember those loved ones especially at this time of year. Many Christians believe that their Christian faith upholds them through all the ups and downs of life and by coming together, whether through church services or coffee mornings we can share stories and offer support to each other. May I extend that welcome for you to join us in any of the events or services in the churches in the Waltham Group. East Ravendale Primary School has adopted this Bible verse, maybe you can make it your own too.

Philippians 4:13, "I can do all things through Christ who strengthens me".
